

# MEET THE TEACHER

Mrs. Kilpatrick

Hi Families and Scholars!!!  
I cannot wait to meet you all! I live in Marietta (only 4 miles from school!) and I could not be more thrilled to teach in our outstanding community. I look forward to learning all about you during these first weeks of school

### EDUCATION

In 2005, I graduated from Fayette County High School and I was a proud member of the Marching Tigers! From there, I went on to Columbus State University and graduated on the Dean's List. I have an endorsement in Talented and Gifted Education, as well as, a certificate in Project-Based Learning from PBL World. I am currently pursuing my Master's at Columbus State University.

## FAVORITES

I still love my job just as much as the first day I started. I look forward to a bright future and many years to come at Marietta Center for Advanced Academics. My husband, Matt Lanza and I are high school sweethearts and have been together for 14 years. Matt is a Lieutenant for Fayette County Fire Department. We have 5 hilarious and spunky fur-kids. Hartley and Colby are 11-year-old yellow labs who love long walks and tennis balls. Our newest rescue, Carl the chiweenie (a therapy dog in training.) Chuck (Norris) and Meowzers are two large and in charge orange tabbies who are 10 years old. On the weekends, Matt, the fur-kids and I love to run, hike and bike. When I am at school I miss them all very much. I love all shades of blue, coffee, yoga, reading, barre, animals, succulents, kombucha, and making school fun!!! I am excited to get to know you all!
